Local Merger Creates Advanced Orthopedics and Sports Medicine Institute

Western Monmouth Orthopedic Associates and New Jersey Orthopedic Associates have merged to form Advanced Orthopedics and Sports Medicine Institute, PC (**AOSMI**). The seven practicing physicians have a combined 100 years of experience practicing medicine, and are all committed to providing Patient-Centered, Patient-Focused care, positioning **AOSMI** as a leading provider of orthopedic health care in Central New Jersey and the Monmouth County, NJ area.

This week marks the grand opening of the Advanced Orthopedics and Sports Medicine Institute, PC (**AOSMI**). Formed through the merger of two local leaders in orthopedic and sports medicine care, **AOSMI** has trained and experienced specialists who provide exceptional care for all types of orthopedic needs.

The newly created **AOSMI** draws on the complimentary strengths of its two preceding medical care facilities: Western Monmouth Orthopedic Associates and New Jersey Orthopedic Associates.

The seven practicing physicians at **AOSMI** have a combined 100 years of experience practicing Orthopedics and Musculoskeletal Medicine. They include 6 orthopedic surgeons and 1 physical medicine and a rehabilitation specialist.

“We’re excited about the synthesis of skill sets and experiences that are represented in this merger to form **AOSMI**,” says Dr. Greller, the new President of **AOSMI** “Our orthopedic physicians and surgeons are among the best in their field, with tremendous experience in bone and joint care, including minimally invasive arthroscopic and joint replacement surgeries, which leads to faster recovery and better outcomes.”

The merger focuses not only on technical skills, but also on the quality of patient care. Dr. Berkowitz, one of the practice's experts in bone, joint, and muscle problems, notes, “The new practice is being designed around the concept of Patient-Centered, Patient-Focused care, which assures that our patients will receive the best, most attentive care available.”

Additional information about the services provided by AOSMI is available at www.AdvancedOrthoSports.com, or by visiting one of AOSMI's two locations at 501 Iron Bridge Road, Suite 1, or 4247 Route 9, Building 1 in Freehold.

AOSMI provides advanced orthopedic medical care in Freehold, NJ, with leading doctors and surgeons, state-of-the-art technology, new equipment, and exceptional **Patient-Centered, Patient-Focused Care™**.
