## **New State-of-the-Art Premises for the Advanced Orthopedics and Sports Medicine Institute in Pond View Professional Park, Freehold, NJ, on Target for Occupancy, Summer '08**

This week's news that the new Pond View Professional Park complex of professional and medical condominiums is on target for completion in the first quarter of 2008 is very welcome news for the physicians and staff of the **Advanced Orthopedics and Sports Medicine Institute**, Freehold, New Jersey. Pond View Professional Park comprises 12.24 acres of state of the art construction, being three (3) two-story medical or professional buildings, one of 50,000 SF and 2 of 25,000 SF; divisible into 2,500 SF suites. In June 2007, the Advanced Orthopedics and Sports Medicine Institute purchased one of the 25,000 SF condos at the complex, the first to purchase. Pond View Professional Park is a joint development by the Schultz Organization, Pyramid Property Partners, The Hampshire Cos. and Triad Development Co. AOSMI is well along the way in planning with pleasure to have all services provided from their new location in the summer of 2008.

“Pond View Professional Park, with its privileged position fronting Route 537 (1101 W. Main Street) in Freehold Township, NJ, and in close proximity to CentraState Hospital, is an excellent choice for the location of the recently established **Advanced Orthopedics and Sports Medicine Institute**.” says Dr Michael J.Greller MD, FAAOS, President of AOSMI. “The **Advanced Orthopedics and Sports Medicine Institute, PC (AOSMI)** was formed in June 2007, with the merger of two of the area's longest tenured practices. We pride ourselves as established leaders in the region providing quality orthopedic and sports medicine care, on exceptional service, medical expertise, and close doctor-patient relationships that all contribute to the healing process. We look forward to the many significant benefits of being together, conveniently providing all our orthopedic services under the one roof, making the most of the state of the art construction of this excellent purpose-built medical complex.” **AOSMI** is planning to open a Physical Therapy Clinic and MRI facility adjacent to their main premises.

**The Advanced Orthopedics and Sports Medicine Institute** provides advanced medical care in Freehold, New Jersey, with leading doctors and orthopedic surgeons, state-of-the-art technology and exceptional **Patient-Centered, Patient-Focused Care™**. The seven practicing physicians at **Advanced Orthopedics and Sports Medicine Institute**

have a combined 100 years of experience providing exceptional orthopedic care to the New Jersey community.
