**Advanced Orthopedics and Sports Medicine Institute in Freehold Announces
Scholarship Opportunity In The Freehold Regional School District**

The orthopedic surgeons at Advanced Orthopedics and Sports Medicine Institute (AOSMI) of Freehold, Monroe, and Wall townships have announced that they will be awarding two scholarships, to seniors attending a high school in the Freehold Regional School District in New Jersey

The orthopedic surgeons at Advanced Orthopedics and Sports Medicine Institute (AOSMI) of Freehold, Monroe, and Wall townships have announced that they will be awarding two (2) \$1000.00 scholarships, one to a male and one to a female senior attending a high school in the Freehold Regional School District.

Seniors attending Colts Neck High School, Freehold High School, Freehold Township High School, Howell High School, Manalapan High School, and Marlboro High School who have an interest in pursuing a career in health care and who have maintained a “B” or higher average are eligible to submit a scholarship application, which can be obtained in the guidance department at each school.

Dr. Gregg Berkowitz, an orthopedic surgeon at AOSMI, said, “This scholarship is intended to encourage young people who are interested in any aspect of the health care field. In our practice, we are concerned about the projected shortage of health care providers in the United States, and we thought this scholarship might be a nice way to support students who are interested in the field of health care.”

Students should submit a completed scholarship application and a 500- to 700-word essay expressing their interests in the health care field to their respective guidance departments by April 29. AOSMI will select the recipients and present them with a check at the annual year-end awards banquet.

For further information, contact Jessica Wilcox, Care Coordinator at Advanced Orthopedics and Sports Medicine Institute, at 732-720-6414.

Today, the surgeons at Advanced Orthopedics and Sports Medicine Institute (AOSMI) provide the Monmouth and Middlesex County communities with specialists for every orthopedic need, including sports medicine, joint replacement, fracture care, spine care, work injury care, hand and wrist care, physiatry, foot and ankle care, and osteoporosis care.

Located in the Pond View Professional Park at 301 Professional View Drive in Freehold, and Renaissance Crossing Medical Arts Building at 312 Applegarth Road, Suite 101, Monroe Township, New Jersey, Advanced Orthopedics and Sports Medicine Institute provides advanced medical care with leading doctors and surgeons, state-of-the-art technology, and exceptional Patient-Centered, Patient-Focused Care™. The physicians at AOSMI have a combined 100 years of experience providing exceptional orthopedic care to the New Jersey communities of Monmouth and Middlesex County.
