Dr. Alan Nasar, Freehold, NJ, Orthopedic Surgeon Attracts Community Interest with His Public Lecture "Minimally-Invasive Treatments for Hip Pain" in Jackson, New Jersey

Freehold Orthopedic surgeon Alan S. Nasar MD attracted wide community interest with his comprehensive and engaging public lecture on “Minimally-Invasive Treatments for Hip Pain” this Tuesday, November 27, at CareOne Rehabilitation Center, Jackson, New Jersey. Dr Nasar is one of the team of orthopedic surgeons from the [Advanced Orthopedics and Sports Medicine Institute](#) in Freehold, NJ, offering a series of free to the public lectures in New Jersey communities in Freehold, Monroe Township and Jackson this fall. Well attended and proving popular, firmly appreciated by the audiences as right on topic in addressing community healthcare concerns, the lecture series covers a range of subjects from minimally-invasive joint replacement surgery to pain management for advanced arthritis and sports injuries.

Dr Nasar spoke in detail of recent advances in treatments for hip pain and arthritis, from alternative treatments to medications, injections, and minimally-invasive surgical options. A strong proponent of the holistic approach to patient care, Dr Nasar reviewed a broad range of treatment options and engaged his audience with patient testimonials. During the refreshments, which followed the formal presentation, he continued to answer numerous, specific questions from the audience at length. “A great opportunity to make the local communities aware that the latest, advanced treatments are available right here on their doorstep.” Dr Nasar said of the lecture series in general.

Dr. Nasar, a fellowship-trained joint replacement orthopedic surgeon from the [Advanced Orthopedics and Sports Medicine Institute](#) in Freehold, NJ, specializes in minimally-invasive joint replacement surgery. He is the Director of The Total Joint Center of New Jersey at CentraState and the Director of Orthopedics at the CareOne Rehabilitation Center in Jackson, New Jersey.

Today, all of the surgeons at [Advanced Orthopedics and Sports Medicine Institute](#) perform minimally-invasive joint replacement surgery. The [Advanced Orthopedics and Sports Medicine Institute](#) provides advanced medical care in Freehold, NJ, with leading

doctors and surgeons, state-of-the-art technology, and exceptional **Patient-Centered, Patient-Focused Care**™. The seven practicing physicians at **AOSMI** have a combined 100 years of experience providing exceptional orthopedic care to the New Jersey community.
