

Freehold NJ Orthopedic Surgeon Dr. Michael Greller Honored for Compassion and Bedside Manner

Freehold, NJ, April 17, 2013 --(PR.com)-- Advanced Orthopedic and Sports Medicine Institutes' Orthopedic Surgeon, Dr. Michael Greller, has been awarded one of the top honors in his profession; the prestigious 2012 Compassionate Doctor Certification.

Selected from over 750,000 US physicians Dr. Greller graciously stated, "This is quite an honor for me. I am very pleased to have been selected and grateful to my patients who went out of their way to rate me and give me positive reviews."

Jon Mackler, AOSMI's Chief Operating Officer stated, "I'm not surprised by this wonderful recognition. Dr. Greller consistently receives remarkably high ratings in the patient satisfaction surveys that are sent to his patients. I know just how much time and compassionate care Dr. Greller puts into his relationships with his patients and it does seem appropriate that he is recognized by them through Vitals, UCompareHealthCare, and Patients' Choice. I know it takes a near perfect score to gain recognition and Dr. Greller always strives to be a superior surgeon and patient focused physician... "

Dr. Michael J. Greller is a board-certified and a fellowship-trained sports medicine orthopedic surgeon. He performed the first Zimmer "custom-fit knee" replacement surgery in the Northeast in 2010, and continues to offer patients a wide variety of non-invasive and surgical options.

Dr. Greller earned his M.D. from Albert Einstein College of Medicine, N.Y. He completed his residency in orthopedic surgery at the prestigious Hospital for Joint Diseases Orthopedic Institute - New York University Medical Center. He also completed a fellowship in sports medicine at Temple University, and spent an extra year specializing in minimally invasive arthroscopic procedures of the shoulder, knee, and ankle. Dr. Greller was one of the first New Jersey surgeons to use minimally invasive computer-assisted hip and knee replacements. He is the Assistant Director of the Cartilage Restoration Center of New Jersey, Managing Partner and President of AOSMI, and Secretary/Treasurer of the medical staff at CentraState Medical Center. He is on staff at CentraState Medical Center, Robert Wood Johnson University Hospital, and Raritan Bay Medical Center.
