Nonsurgical Treatment for Arthritic Hips and Knees: Orthopedic Surgeon from AOSMI Presents Latest Information at Free Seminar in New Jersey.

Dr. Manuel T. Banzon, a board-certified orthopedic surgeon at Advanced Orthopedics and Sports Medicine Institute, (AOSMI) of Freehold and Monroe Township, New Jersey, is presenting a free, educational seminar “Nonsurgical Treatment for Knee and Hip Arthritis” at The Spotswood Senior Center, 1 Arlington Avenue, Spotswood, N.J., on July 23, 2009, 3:00 p.m.

Dr. Banzon will provide information about treatment options for those with arthritis in their knees or hips who cannot undergo surgery or don't want to have surgery. “In keeping with AOSMI's Patient-Centered, Patient-Focused™ philosophy of care, we try to find the least invasive treatment options for our patients with arthritis. While I am an expert on joint replacement, there are many nonsurgical approaches for arthritic hips and knees, which I will outline in my presentation,” said Dr. Banzon.

Dr. Banzon, a board-certified orthopedic surgeon of Advanced Orthopedics and Sports Medicine Institute, specializes in total joint replacement, arthroscopy, and fracture and trauma care. He serves residents of the communities of Colts Neck, Englishtown, Freehold, Howell, Jackson, Manalapan, Marlboro, Monroe, Morganville, and other towns in New Jersey. In 2008, Dr. Banzon received the "Physician of the year award" at CentraState Medical Center, Freehold, NJ. In addition to his work at AOSMI, he is a professional member of the American Academy of Orthopedic Surgeons, the American Medical Association, the Monmouth County Medical Society, the New Jersey Medical Society, and

the New Jersey Orthopedic Society.

Registration for the presentation is required. Please call 732-251-3432 to register.

Light refreshments will be served.

Today, the surgeons at Advanced Orthopedics and Sports Medicine Institute provide the Monmouth and Middlesex County communities with specialists for every orthopedic need. Located in the Pond View Professional Park at 301 Professional View Drive in Freehold, and Renaissance Crossing Medical Arts Building at 312 Applegarth Road, Suite 101, Monroe Township, New Jersey, Advanced Orthopedics and Sports Medicine Institute provides advanced medical care with leading doctors and surgeons, state-of-the-art technology, and exceptional Patient-Centered, Patient-Focused Care™. The seven practicing physicians at AOSMI have a combined 100 years of experience providing exceptional orthopedic care to the New Jersey communities of Monmouth and Middlesex County.
