

MICHAEL J. GRELLER, MD, MBA, CPE, FAAOS

Board-Certified Orthopedic Surgeon | Fellowship Trained in Sports Medicine | Certified Physician Executive | Shoulder & Knee Surgeon

Dr. Greller's education and training at leading institutions has given him the opportunity to treat professional athletes, high-level Division 1 college athletes, and high school athletes. He now brings this level of expertise to Monmouth County. He has served as the Team Physician for Saint John Vianney High School Football, a physician for the US Open Tennis Tournament, Philadelphia High School Football, Freehold Borough High School Football, several professional dance companies in New York City, and served as the Team Physician for the NY/NJ Comets, a National Pro Fastpitch

women's softball team. His vast and diverse experience both in the office and on the field allows him to provide the best care to all of his patients. Dr. Greller's goal is to help his patients recover quickly and he works closely with trainers, therapists, nutritionists and other medical professionals to help his patients return to competition and regular activities.

Dr. Greller specializes in advanced, minimally-invasive shoulder, knee, and ankle arthroscopic procedures, including ACL, rotator cuff and meniscus surgery. He also performs minimally-invasive hip, knee and shoulder replacements. Dr. Greller, being on the cutting edge of technology in orthopedics, was one of the first New Jersey surgeons to do computer-assisted joint replacements in the tri-state area and he is always trained on the latest technologies to improve patient non-surgical and surgical outcomes. He also cares for adult and pediatric fractures, hand and upper extremity problems, as well as foot and ankle injuries.

In addition to overseeing the daily operations at the office as President and Managing Partner of AOSMI, Dr. Greller is an Associate Professor at Temple

University – School of Podiatric Medicine, a Faculty Member of the Family Residency Program at CentraState, and the Assistant Director of the Cartilage Restoration Center of New Jersey (CRC). A division of AOSMI, the center is devoted to the treatment of cartilaginous injuries and damage to the knee and other joints. He utilizes the latest techniques in cartilage repair to eliminate pain, restore function, and reduce or delay the need for total joint arthroplasty, including cartilage regeneration and transplantation. Dr. Greller is on the forefront on the latest advanced techniques including orthobiologics.

Dr. Greller was voted in by his peers to serve as Secretary/Treasurer of the Medical Staff of CentraState Medical Center these past two years. In addition, Dr. Greller serves on many hospital committees including running the ED Executive Committee and multiple other hospital committees. Dr. Greller provides compassionate, personalized care and for the past two years was honored with an award for Most Compassionate Doctor. He was named a Vitals Top 10 Doctor in 2014 and was honored again with the 2013 Patients' Choice Award in addition to having won it in 2008, 2009 and 2012. He also earned the AMA physicians' recognition award in 2012.

Dr. Greller is married with two children. In addition to spending time with his family, he enjoys playing basketball, following his favorite football and baseball teams, and getting together with friends in his leisure time. He recently completed an advanced MBA degree at the Isenberg School of Management, which is part of the University of Massachusetts Amherst.
